Freedom From Corns

Suffering from corns is unnecessary. You can put a stop to it by buying one box of Pierce's Corn Plasters. Every box is sold under a binding guarantee to cure. If it doesn't, the druggist will give Hurrah! that Core you back your money.

Pierce's Corn Plasters

Remove the most painful and stubborn corn in 5 days. In most cases, only 48 hours are required. They work quickly and easily.

The first application stops the pain almost instantly. The Plaster lossens the corn, root and all, so that you can rub it off with your fingers. It will not come back.

Pierce's Corn Plasters are so thin that they do not take up any room in the shoe. For eleven years we've sold thousands of boxes under our money-back guarantee. That's the strongest possible proof that they make good. Be sure you get the genuine.
